RSO Communities

Academic Department: This community of organizations' primary purpose is centered within an academic department or program at Syracuse University.

Art and Entertainment: This community of organizations' primary purpose is the creation and/or presentation of visual arts, student performances, or events and programs featuring off-campus talent.

Cultural/International: This community of organizations' primary purpose is the creation of opportunities that explore cultural, social, and service aspects of various cultural and international groups.

Governance: This community of organizations' primary purpose involves serving as representatives of the student body to the University community and/or providing advice to faculty and administration.

Honorary: This community of organizations promotes scholastic excellence and deep involvement in various academic areas.

Media/Publication: This community of organizations is comprised of students who practice the creation and presentation of print, broadcast, and/or electronic media.

Political/Advocacy: The community of organizations' primary purpose supports or opposes specific ideology, political thought, or political causes.

Professional: This community of organizations' primary purpose is to help students prepare for particular professions after graduation.

Religious: This community of organizations' primary purpose is worship, devotion, prayer, meditation, or study of religious concepts. These organizations are required to be registered with Hendricks Chapel in order to also be registered as an RSO.

Service: This community of organizations provide learning opportunities for students in the areas of community service and volunteering - locally, regionally, and nationally.

Special Interest: This community of organizations offers students opportunities to get involved in a variety of activities not generally offered in any other category.

Please visit studentactivities.syr.edu for a full list of organizations affiliated with each community.

RSO Community Rights

1. Student Activities Organization
Consultants: All RSOs have the right to work with an Organization Consultant from the Office of Student Activities to help plan events and programs, negotiate contracts, create publicity and marketing campaigns, assist with officer selection and transition, and promote understanding of both University and governing body policies and procedures. RSOs should expect the following of their Organization Consultant:
 - a. Support and advocacy for student rights and responsibilities
 - b. Collaborative partnerships that nurture and facilitate development and growth
 - c. An environment of trust, fairness, and mutual respect
 - d. Open dialogue, feedback, and listening
2. Use of Syracuse University's name as part of the organization's name to denote location. For example, "Bowling Club at Syracuse University" is acceptable, while "The Syracuse University Bowling Club" is not allowed.

3. Use of Syracuse University facilities, services, and resources
4. Sponsorship or promotion of activities on University property
5. Distribution of literature, posters, banners, or organization print materials consistent with the Campus Posting Policy and the Code of Student Conduct
6. Listing in University publications
7. Eligibility to be considered for awards or honors presented to recognized student organizations and their members
8. Eligibility to apply for Student Activity Fee funds consistent with the rules and procedures of the Student Association and Syracuse University
9. Eligibility to fundraise on campus through approved programs and activities
10. Access to photocopying services funded by the Student Association
11. Access to training programs, leadership opportunities, advising, resource referral, and contract negotiation by the staff of the Office of Student Activities
12. Assistance with program development, implementation, and assessment from Student Centers and Programming Services, Office of Student Activities, and other University offices

RSO Community Responsibilities

- Complete the annual Re-Registration process
- Become familiar with University policies and procedures that govern the RSO community
- Maintain an active and accurate presence on OrgSync, including membership, advisor contract, and current constitution
- Serve as an ambassador for your individual organization as well as the RSO community

Re-Registration of an RSO

It is the responsibility of established student organizations to re-register with the Office of Student Activities each academic year.

Re-Registration begins at the end of the Spring semester with a required Transition Workshop. The current president and incoming president must both attend this workshop.

Re-Registration continues during the first four weeks of the Fall semester. The requirements during this period are:

1. The OrgSync portal must be renewed. This includes updating the profile, constitution, and members, as well as a signed advisor contract (sent via email to the advisor).
2. The president and one officer must each attend a leadership workshop, offered by the Office of Student Activities.
3. The president must attend an Accessibility Workshop.
4. The president must complete all four HotSpot quizzes and earn a 100% on each.

If an organization fails to re-register, the organization will no longer be registered with the Office of Student Activities and will have to apply as a New RSO to become registered once more.

Registered Student Organizations are required to have the following:

1. A University Advisor who is a full-time faculty or staff member at Syracuse University or SUNY-ESF and is chosen by the organization. The University Advisor cannot be a staff member in the Office of Student Activities.
2. A current and typed constitution that is uploaded to the RSO's OrgSync portal. This document must define the lawful purpose of the student organization, criteria for membership, and organizational mission and structure. If the student organization has written codes, rules or other regulations by which members of the organization are expected to abide, these documents are also required to be uploaded to the RSO's

OrgSync portal. A constitution writing guide is available on the Office of Student Activities website. Under 'Student Organization Info' select 'Create a New RSO,' and click the 'How to Write a Constitution' link. Required constitutional amendments are included in this document.

3. A minimum membership of eight currently enrolled Syracuse University or SUNY-ESF students. A majority of membership must be held by undergraduate students that have attained a minimum GPA of 2.0. The Office of Student Activities reserves the right to monitor the academic performance of individual members of an RSO that maintain grade point average requirements for membership.
4. An RSO's membership must be open to all Syracuse University and SUNY-ESF students through general body membership or through an audition process.
 - a. RSOs may, at their discretion, also include in its membership other members of the Syracuse University and SUNY-ESF community, including faculty, staff and community members. These individuals will be known as *associate members*. Associate members may attend meetings, speak at meetings as members of the audience, and assist with program events under the supervision of an active member. Associate members may not hold office, vote, or otherwise conduct official RSO business, nor solicit funds on behalf of the organization.
5. Syracuse University is an equal-opportunity, affirmative-action institution. We do not discriminate on the basis of race, creed, color, gender, national origin, religion, marital status, age, disability, sexual orientation, gender identity and gender expression, or status as a disabled veteran or veteran of the Vietnam era to any extent discrimination is prohibited by law. This nondiscrimination policy covers admissions,

employment, and access to and treatment in University programs, services, and activities. *(As exempted by Federal law, social Greek organizations may omit 'gender.')*

6. All RSOs are required to have at least four officers. All officers must be full-time, matriculated students, a majority of whom must be undergraduate students. Undergraduate officers must maintain a minimum cumulative grade point average of 2.2 for organization presidents and 2.0 for all other officers. Law students and graduate students must maintain a cumulative grade point average of 2.0 and 3.0 respectively. The Office of Student Activities reserves the right to monitor the academic performance of RSO officers. Those students seeking an exception to this rule must submit a typed petition to the Director of the Office of Student Activities who will then determine whether, and on what conditions, an exception will be granted.
7. Compliance with the Code of Student Conduct and all other applicable policies of Syracuse University.
8. A philosophy which supports the educational mission of Syracuse University/SUNY ESF.

In an effort to keep records current, RSOs are required to update their OrgSync portal with any changes in the organization's status during the academic year (i.e. University Advisor or officers change, constitution updates, contact information). For more information, please contact the Office of Student Activities at stactivities@syr.edu.

Limits to Organization Registration:

An RSO may *not*:

- Authorize the organization to enter into contracts, including offer sheets, or otherwise act on behalf of Syracuse University
- Authorize the organization to 1) use the University's name for any commercial purpose or in any way which may reflect adversely upon the University, or 2) use the University's logo, seal, or any facsimile

thereof, or any trademark or copyrighted symbol of Syracuse University without the express permission of Auxiliary Services, 315-443-2722

- Imply or otherwise create the appearance that Syracuse University sponsors, controls, or is responsible for the activities of the recognized student organization
 - This includes the RSO's name. 'Syracuse University' can only be used to denote the location of the organization. For instance, 'Bowling Club at Syracuse University' is fine, but 'Syracuse Bowling Club' is not. 'Syracuse University' and any names linked to the University such as 'Otto,' 'Cuse,' or 'Orange' (this list is not exhaustive) cannot be used at the beginning of the organization's name.

Loss of Recognition:

Failure to re-register as an RSO within the Re-Registration period may result in immediate loss of recognition and associated privileges.

In addition, RSOs may lose recognition - temporarily or permanently - for any of the following reasons:

1. Academic: Student organization officers do not meet minimum grade point average requirements to hold an office.
2. Financial: The student organization is found to have unpaid or overdue bills or the organization has inadequate resources to cover campus expenses associated with the organization.
3. Membership: The total membership of the organization decreases below the required eight (8) currently enrolled students, except for Greek organizations.
4. Disciplinary: The student organization has been sanctioned for violations of the Code of Conduct or related policies (see http://supolicies.syr.edu/studs/std_code_conduct.htm)

Starting a New RSO

Currently, the Office of Student Activities is home to a community of between 250 and 300 registered students organizations (RSOs). Syracuse University and SUNY-ESF students who do not find one of the University's currently registered organizations to fit their interests or needs have the opportunity, and are encouraged, to create their own organization. The following information will guide students through the application process and required steps.

The Application Process:

There are two submission periods, one each semester, to submit for registration of a New Student Organization. The deadline is the third Friday of the semester by 5PM.

All prospective new student organizations must submit a completed application packed when applying for registration, which includes: 1) a roster of officers and general body members, 2) answers to a series of questions regarding the proposed organization's missions and goals, 3) a signed copy of the Advisor Contract, and 4) a complete constitution. The philosophy of the new student organization must support the educational mission of Syracuse University/SUNY ESF. The name of the new student organization may use the university's name as part of the organization's name only to denote location. For example, "Bowling Club at Syracuse University" is acceptable, while "Syracuse University Bowling Club" is not allowed. The use of "Syracuse University", "SU", "Cuse", "Orange", and any other trademarked verbiage in the actual name of any new organization is not allowed. The application should be submitted via email to the Program Coordinator. Incomplete applications will not be considered.

The Review Process:

Following submission, all applications will be reviewed by the New RSO Review Board (NRRB), a

dedicated group of students trained specifically for this process.

As part of the application process, proposed organizations will have the opportunity to meet with the NRRB. This meeting gives the organization an opportunity to discuss their mission and goals with the NRRB and answer any questions the NRRB may have after reviewing the application. Meeting with the NRRB is not mandatory. However, it is highly encouraged. Any organizations that do not meet with the NRRB and are denied RSO status do not have the opportunity to appeal.

The NRRB holds meetings at the end of the week immediately following the submission deadline. Applicants are required to sign-up for a meeting time if they so choose. The sign-up sheet will be at the front desk of the Office of Student Activities from Monday morning immediately following the submission deadline to Wednesday close of business following the submission deadline.

The NRRB will consider the following criteria for registration:

- The New Student Organization application is complete
- A minimum membership of eight currently enrolled Syracuse University or SUNY-ESF students. A majority of membership must be held by undergraduate students that have attained a minimum GPA of 2.0.
- A minimum of four officers that are full-time, matriculated students, a majority of which are undergraduate students.
- Membership is open to all Syracuse University and SUNY-ESF students
- The mission/goals of the organization is not being met by another organization or department on campus

Decisions regarding approval or denial of new RSO applications will be sent out no later than the Wednesday following NRRB Meetings.

Approved Organizations: New RSO Orientation will be held later that month. Any organizations who are approved are required to attend the New RSO

Orientation, at which they will learn about the required registration process to become a fully functioning RSO.

Please note: Organizations that are approved will have Pending RSO Status for the entirety of the current semester. If all registration steps are completed by the semester deadline, the organization will become a fully functioning RSO beginning the following semester.

Denied Organizations: Any organizations that attended an NRRB meeting and are denied will have the opportunity to appeal. The appeal deadline will be communicated to organizations via email.

In the event that a prospective organization is denied recognition by the NRRB, the prospective organization may appeal the NRRB's decision based on one or more of the following reasons:

- Errors in the interpretation of the prospective organization's purpose
- Missing information from original application is now available

Please note that disagreeing with the committee's original decision will not be accepted as a reason for appeal.

If an organization is denied and did not attend an NRRB meeting, they do not have the opportunity to appeal.

Appeal Decisions:

Overtaken Decision: If an organization was denied registration by the NRRB but after appeal is approved by the Office of Student Activities professional staff, they will attend New RSO Orientation and continue through the registration process.

Upheld Decision: If an organization was denied registration by the NRRB and that decision is upheld by the Office of Student Activities professional staff, the organization can apply for RSO status after one full semester has passed. For instance, if an organization applies in the spring and

is denied, they will be allowed to apply again the following spring semester.

The Registration Process:

New organizations that are approved are required to complete the following steps before the last Friday of classes of that semester:

1. The president of the organization must complete the four online Officer Training modules through HotSpot.
 - a. These modules can be found at hotspot.syr.edu
 - b. There are four quizzes - one associated with each module.
 - c. The president of the organization must earn a 100 on the quizzes for them to be considered completed.
 - d. Each module has a link that will direct you to a quiz on either Google Forms or Qualtrics.
2. The organization must create an OrgSync portal/profile. This includes an online advisor contract being electronically signed as well as the E-Board and general body being added to the portal.
3. Four organization members must each attend one BOLD Workshop. They are welcome to attend more than one.
4. Four organization members, one of which **must** be an E-Board member, must attend the One University Reception at the Chancellor's residence. The date and time of this reception is TBD and will be sent to the organization president ASAP with a corresponding RSVP.

If an organization completes all required registration steps prior to the deadline, the organization will become a fully functioning RSO. Each organization will be assigned an Office of Student Activities consultant. Beginning the following semester they will have the rights and responsibilities of the rest of the RSO community.

If an organization fails to complete all required registration steps prior to the deadline, they will fail New RSO Registration. The organization will not become a fully functioning RSO. The organization

will have the opportunity to reapply to be a New RSO after one full semester has passed. For instance, if an organization is approved in Spring 2017 and fails registration, the organization will be able to reapply for registration beginning the Spring 2018 semester.

Leadership Development

The changing nature of today's society influenced by the globalization of ideas, information, and technology has forced individuals to revisit their concepts of leadership. Today, the definition of leadership has grown beyond basic management skills to include relationship competency and, more importantly, self-awareness. In keeping with this trend, and in collaboration with many University offices, the Office of Student Activities offers a wide array of leadership opportunities and resources for Syracuse University and SUNY-ESF students.

BOLD (Building Organizations' Leadership Development) Program

Program Overview

Syracuse University's BOLD (Building Organizations' Leadership Development) program is a voluntary program that empowers student organizations to take charge in their leadership growth and their organization's success. The program's curriculum is based on participation in skill-based workshops meant to engage student organization officers in active discussion and reflection of four leadership themes; the leader in you, your influence on others, you and your organization, and leading in your world. Through completing goals within the curriculum, students will develop the skills needed to successfully run their organization and make positive changes on campus and in the community. Students will also be eligible to earn certificates that will boost their resume and earn rewards that will contribute to their organization's events, activities, and interactions.

BOLD Learning Outcomes

Student organization leaders will...

- analyze their leadership strengths and areas of improvement
- examine the values that shape their leadership of their organization
- increase their contributions to their organizations' programs and activities
- apply new strategies to increase communication, collaboration, and conflict resolution within their student organization
- critique their organization's mission and goals
- create an environment that supports the diverse thoughts, opinions, and experiences of their members
- integrate SU policies, procedures, and resources into their organization's activities
- evaluate how they can lead their organization to create positive change within the community

Credits:

Progress in the program is made as officers earn their organization credits. As such, organizations' OrgSync portals must reflect an up-to-date listing of officers. BOLD workshops count as one credit and the Fall/Spring Kick-Off counts as four credits. In order to receive credit, student officers must complete the evaluation sheet handed out at the end of each workshop and complete the post-event reflection sent to their email through OrgSync. To obtain the post-event reflection, you must circle "BOLD program" on the workshop evaluation sheet as your reason for attending. These post-event reflections offer student officers an opportunity to reflect on what they learned, their leadership, and their leadership goals. While any interested student organization members can participate, the number in attendance will not change the amount of credits earned. Additionally, in order to receive credit, at least one student organization officer must be present and is responsible for completing the post-event reflection.

Rewards and Yearly Participation:

As officers earn credits for their organization, they can advance as a white, blue, then orange level

organization. With each level comes more advanced goals and rewards, including a certificate achievement once a level has been attained. To redeem the awards, organizations must contact OSA with their specific request. Student officers have the full academic year to advance their organization's BOLD level and earn rewards. The program restarts in the Fall and student officers can advance their organization again by helping to facilitate workshops as experienced leaders.

44 Stars of Excellence Gala

Each spring semester, the 44 Stars of Excellence Gala is held to recognize outstanding leadership achievements by RSOs and individuals in several areas, including:

- Programming, promotion, and collaboration
- Outstanding organization recognition
- Emerging leadership
- Outstanding senior leadership

Nomination forms for the 44 Stars of Excellence Gala are available on OrgSync beginning mid-semester. Recipients are selected by a review committee and are announced at the ceremony in mid-April.

OrgSync

OrgSync is the community's online management system. RSOs are able to create portals/profiles, manage membership, and utilize OrgSync in other ways.

Funding and Finances

Funding Options

RSOs have several options to obtain funding for events, publications, etc. The options are: Semester Budgets, Special Programming, and the Co-Curricular Grant. The Student Association (SA) oversees the Semester Budget and Special Programming allocations. A committee of

professional staff oversees the Co-Curricular Grant allocations.

All budget requests are required to include Proof of Cost for each line item being requested. For instance, if an RSO is requesting \$1000 for an artist fee, the organization should include a screenshot of the email correspondence in which the artist or artist's representative states the artist is available to perform on a given date for \$1000.

RSOs are required to apply for SA funding, either through Semester Budget or Special Programming allocations, for anything that SA will fund **prior** to applying to Co-Curricular. The only exceptions to this rule is 1) if Special Programming has been depleted for the semester, making Co-Curricular the only remaining option for funding or 2) if SA does not provide funding for what the organization is requesting (i.e. food).

SA funds for venue costs, artist/speaker fees, artist/speaker accommodations and travel, technical requirements, conference registration fees, and more.

SA does not fund for food, decorations, student travel, or student accommodations.

Semester Budget Allocation:

RSOs may apply for semester budgets from SA twice each academic year. Generally, these funding processes occur in March for the following fall semester and in October for the following spring semester. Applications for funding must be submitted to the SA Comptroller via OrgSync on the date and time identified in the request for applications. If the application for funding is found to be complete, the Finance Board will consider the request. Incomplete applications **will not be considered**.

The Finance Board will hold Finance Board budget hearings following the application deadline. This provides organizations the opportunity to explain their event/goal as well as provides the Finance Board an opportunity to ask clarifying questions.

The SA Comptroller assigns organizations a time and location for their budget hearing. The schedule is typically posted a week before the budget hearings take place outside of the SA Office in Schine Student Center. RSOs are notified that the schedule has been posted via OrgSync.

It is mandatory for all organizations who submitted a budget to attend a Finance Board budget hearing. If an organization fails to attend their budget hearing, their budget will be automatically denied. They will have to re-submit their budget through Semester Budget Appeals and forfeit the opportunity to have a budget hearing or question/answer session.

Please note: If an organization only submitted a budget for a conference, they will not be assigned a budget hearing time.

Following these meetings, the Finance Board's recommendation will be presented at the following meeting of the SA Assembly, where a final decision will be voted on and made. The Finance Board's recommendation is final only following final approval by the SA Assembly.

Conferences:

SA may fund up to 8 students to attend a conference with a registration fee of \$250 or less. SA may fund up to 4 students to attend a conference with a registration fee of \$250 or more. SA will only fund for conference registration fees.

Special Programming:

RSOs may apply for Special Programming funding from SA on a weekly first come, first serve basis while Special Programming funds exist. RSOs are only able to apply for Special Programming funding for events that will take place during that semester. Additionally, RSOs can only apply to fund events that were not previously funded through the Semester Budget Allocation described above. This includes Semester Budgets that were denied by SA. Special Programming cannot be used to add additional funding to an event already funded by SA.

Co-Curricular Grant for Student-Generated Initiatives:

The Co-Curricular Grant was developed within Enrollment and the Student Experience to provide financial resources that promote and enhance the out-of-classroom experience for undergraduate students. In an effort to expand access to the Co-Curricular Grant funding, Enrollment and the Student Experience established an application process for students and RSOs to submit funding requests for consideration. Applications for Co-Curricular Grant funding should be submitted via OrgSync. Deadlines for these applications can be found on the Co-Curricular Grant form on OrgSync. A committee of professional staff from different departments on campus will review all applications following each deadline and make appropriate recommendations. Students and RSOs will be notified via email of the committee's decision.

These requests should be for extra-curricular programs, activities, or events that are developed and promoted by students or RSOs only. Events that have already occurred will not be retroactively funded by Co-Curricular.

Fundraising

Policy on Fundraising by Registered Student Organizations:

1. **Definition:** For the purposes of this policy, fundraising is defined as the collection of money through donations, sales, and/or event programming for the purposes of charitable donation or organizational budget enhancement.
2. **Guidelines:** The following guidelines are applicable to all fundraising activities by Registered Student Organizations on Syracuse University owned, operated, or controlled property:
 - a. The sponsor of a fundraising activity must complete a request form and obtain approval of the fundraising activity from the Office of Student Centers and Programming Services

in Suite 228D of the Schine Student Center.

- b. The fundraising activity is required to offer a benefit to the University community that is consistent with the University's educational mission.
- c. The purpose for which the funds will be raised must be consistent with the purpose of the RSO and the Code of Student Conduct and other applicable policies of Syracuse University. Further, the fundraising activity must not violate legal, tax, or corporate restraints upon the University.
- d. An accounting of any funds raised must be provided to the Office of Student Activities by SCPS within five business days after the event.
- e. A currently enrolled student member(s) of the sponsoring RSO must be present during the entire time of the event.
- f. In the absence of an available exemption, the event sponsor is responsible for ensuring all collection, reporting, and payment of all applicable New York State sales and use taxes.
- g. Event sponsors are responsible for ensuring that proposed activities comply with all applicable federal, state, and local laws, rules, and regulations.
- h. Spaces in which the fundraising activity is occurring must be identified by a sign indicating the conducting entity's name, goods, and/or services being sold, and prices.
- i. Neither individuals (regardless of affiliations with Syracuse University) nor private, commercial organizations may sell or promote the sale of products or services on Syracuse University owned, operated, or controlled property except:

- i. Individuals or organizations with whom/which Syracuse University has entered into a written contract
 - ii. Individuals or organizations authorized in writing by Syracuse University to engage in the sales of goods or services for the benefit of an RSO
 - j. Commercial or corporate sponsorship of programs or events is permissible provided that no products and/or services are sold at the event
 - k. Syracuse University reserves the right to require third parties participating in or conducting fundraising activities to meet additional requirements, including without limitation requirements such that parties furnish evidence of insurance coverage acceptable to the University and/or agree to indemnify the University and University personnel against liabilities arising from their acts or omissions.
 - l. Syracuse University reserves the right to approve the identity of any proposed sponsor and the content of sponsorship materials associated with a fundraising activity.
- b. The organization provides proof to the University that it is registered with the secretary of state of the State of New York as a not-for-profit, charitable organization, that it has received an Internal Revenue Service exemption letter, and that its proposed use of University owned, operated, or controlled property is in furtherance of its tax-exempt, charitable purpose(s).
 - c. The recognized student organization planning the event is responsible for all costs incurred in connection with the event, other than those borne by the charitable organization.
 - d. Educational information about the agency and the services it provides is made available at the event
 - e. Notwithstanding paragraph B-6, in the absence of an available exemption, the charitable organization is responsible for the collection and reporting of all applicable New York State sales and use taxes.
 - f. The charitable organization is responsible for ensuring that its activities comply with all applicable federal, state, and local laws, rules, and regulation.

3. Fundraising for Non-University Affiliated Charitable Organizations:

Fundraising for not-for-profit, charitable organizations (e.g., The Red Cross, Salvation Army, etc.) having no direct affiliation with Syracuse University is permissible provided that the above guidelines are followed, and:

- a. The organization submits a statement of support on the organization's letterhead to OSA, SCPS, and the Center for Public and Community Service acknowledging that the fundraising will occur on its

4. Fundraising Examples:

Syracuse University provides the following as general examples of items that may be used to raise funds. Please note that the University reserves the right to review and approve all items.

- a. Items for sale that have been produced by the organization (e.g., baskets, bouquets of flowers)
- b. Cash donations
- c. Donations of items of value (e.g., clothing, school supplies)
- d. Items for sale that are directly related to the student organization's

mission or goals (e.g., plants sold by the Horticulture Club)

- e. Items that promote school spirit (e.g., buttons, balloons) but do not conflict with University trademark policies
- f. Pre-packaged items (e.g., candy, gum)

5. Prohibitions: Syracuse University reserves the right to restrict all fundraising activities to reasonable times, places, and manners. The following activities are specifically prohibited:

- a. Solicitation by credit card or telephone card companies, with the exception of those approved by the University Bookstore or an appropriate Chancellor's Cabinet officer
- b. Door-to-door fundraising on Syracuse University owned, operated, or controlled property
- c. Fundraising for any candidate for political office
- d. Sale or distribution of items that violate Syracuse University trademark rights of existing contracts
- e. Receipt by individuals who organize a fundraising activity of proceeds from the activity

6. Locations: The specific campus locations listed below have established additional criteria for fundraising activities. All of these areas require the approval by the Office of Student Centers and Programming Services and:

- a. Residence Halls: approval by the Office of Residence Life and the residence director of each residence hall in which fundraising is to occur
- b. Dining Areas: approval by the appropriate deans, director, or building coordinator of the facility
- c. Recreation Facilities: approval by the Department of Recreation

Services. This applies to athletic fields and gymnasiums

- d. Manley Fieldhouse: approval by the Department of Athletics
- e. Carrier Dome: approval by the manager of the Carrier Dome

7. Additional Restrictions and

Requirements: Syracuse University acknowledges that a policy of this nature may not anticipate every possible issue that may arise with respect to fundraising activities. As a result, the University reserves the right to impose reasonable restrictions and/or requirements with respect to the time, place, and manner of fundraising activities. These restrictions may be additional to, or in lieu of, those set forth in the policy.

8. Enforcement: Failure to obtain permission to engage in or sponsor sales or fundraising, or failure to adhere to University policy regarding activities for which permission has been granted, will result in the curtailment and/or cancellation of the event by the Office of Student Centers and Programming Services or other appropriate University official.

The University judicial system has jurisdiction of complaints against any student or recognized student organization(s) alleged to have violated this policy.

9. Sanctions: Sanctions for violation of this policy by students and/or recognized student organizations include, but are not limited to, fines and/or restitution, loss of the right to use University property or facilities for activities, loss of recognition for recognized student organizations, other disciplinary sanctions, and other education sanctions appropriate to the circumstances.

10. Reservation of Rights: Syracuse University reserves the right to amend this policy at any time.

11. Accepting Donations: Student organizations may accept cash donations to be deposited by the Office of Student Activities. University department donations made to student organization should be spent out of the respective departmental account and therefore money should not be transferred from a University department into the student organization fundraising account. Additionally, funds maintained in the student organization fundraising account cannot be used to pay students for services.

Managing Your Resources

RSOs are required to comply with the following policies in making expenditures from either allocated or self-generated funds:

Accounting: OSA maintains SA allocated funds, miscellaneous funds (ticket sale revenue), gift accounts, and organization fundraising accounts. Co-Curricular grants are managed by the Division of Enrollment and the Student Experience. Organizations are required to keep all money within OSA accounts. RSOs are not permitted to have outside bank accounts.

Expenditure Requests: Expenditure Requests are available on OrgSync. They must be completed by the RSO and approved by the SA Comptroller before a purchase/payment will be authorized. Expenditure requests are used when an RSO wants to utilize funds in a different way than originally approved. For instance, an RSO applied to have an event in the Underground but now wants to move to the Goldstein Auditorium. They would like to move money from the approved amount provided by SA for the artist fee to cover the additional cost of moving venues.

Contingency Requests: Contingency Requests are available on OrgSync. They must be completed by the RSO and approved by the SA Comptroller before a purchase/payment will be authorized.

Contingency requests are used when an RSO event has an unexpected expense after submitting the budget request. For instance, an artist requests hospitality (i.e. food) be provided during their performance. The RSO was unaware of this request/need when they submitted their original budget. The RSO can submit for Contingency to cover the hospitality request.

Student Reimbursements: In accordance with the funding guidelines of SA, students who spend personal funds on goods, services, etc. **will not** be reimbursed for these expenditures without prior written approval from the SA Comptroller and copies of the original receipts. Students have the opportunity to be reimbursed through the RSO's fundraising account. Taxes may be reimbursed if the funds are being withdrawn from the RSO's fundraising account only. Work with your consultant to complete these requests.

Travel Reimbursements: Students can only be reimbursed for travel expenses from their fundraising account, as SA funds cannot be used for travel costs. Students will need to submit original receipts or proof of payment (i.e. bank or credit card statements), description/reason for travel (dates, transportation type, and RSO-related reason for travel), and SUID # in order to receive reimbursement. Work with your consultant to complete these requests.

Alcohol and Other Controlled Items: RSOs may not use any of their funds toward the purchase of alcohol, tobacco, fireworks, explosives, guns, or other controlled items or substances for a program, performer, or organization member(s).

Programming and Space Reservation

The Event/Program Planning Process

The **Office of Student Activities (OSA)** partners with the **Office of Student Centers and Programming Services (SCPS)** to provide assistance and services for student organizations, sponsored events, and other programs. Recognized Student Organizations (RSOs) must follow a required planning process in order to host an event or program on the Syracuse University campus. Contact your Student Activities Consultant if you have questions regarding this process and its programming deadlines.

Minimum Programming Planning Deadlines:

Organizations must meet with their consultant to begin planning with the following as a minimum of weeks before the event's scheduled date:

Catering	Four (4) weeks prior
Comedy	Six (6) weeks prior
Community Service	Four (4) weeks prior
Conference Attend	Eight (8) weeks prior
Conference Hosting	Eight (8) weeks prior
Cultural Show	Eight (8) weeks prior
Dance Party	Four (4) weeks prior
Large-Scale Concert	Eight (8) weeks prior
Movies	Four (4) weeks prior
Philanthropy	Four (4) weeks prior
Reception	Four (4) weeks prior
Small-Scale Concert	Six (6) weeks prior
Speaker	Six (6) weeks prior
Theatrical Performance	Eight (8) weeks prior
Other Events	See Student Activities Organization Consultant

Organizations wishing to program outside of the deadlines above may request an exception to the process in a written format addressed to the organization's Student Activities Consultant. That consultant will approve or deny the request after discussing with SCPS.

The Contracting Process:

A contract is a legally binding obligation, usually involving an agreement to pay a specific sum of money in exchange for services. Negotiating contracts is vital to program planning, so Recognized Student Organizations (RSOs) are cautioned to use care when discussing contracts over the telephone or in email. Both RSOs and its members can be held financially liable for both written and oral contracts and agreements. Therefore, it is important to understand and adhere to the following when you arrange for a guest to speak or perform on the Syracuse University campus:

- Syracuse University students are authorized to ask a talent agency about a possible campus performance by the artist.
- When speaking with the talent agency, you should discuss the range of costs for the performer on different possible dates and at different times and locations. Once you have their quote, tell the agency or representative: *"Let me review this information with the University. If approved, you should receive a written bid from Syracuse University, Office of Student Activities."*
- The Office of Student Activities strongly recommends that student organizations request an **all-inclusive quote** from the artist or agency when drafting an agreement. For example, this may involve asking an artist to provide a total cost including their performance fee, transportation, and lodging together instead of requesting those costs separately.
- Then, meet with your Student Activities Organization Consultant to review the opportunity and determine whether a written bid will be offered
- **DO NOT SIGN ANY DOCUMENT ASSOCIATED WITH THE PERFORMER OR AGENT. IF YOU SIGN A CONTRACT, YOU CAN BE HELD PERSONALLY LIABLE FOR ITS TERMS AND CONDITIONS.**

Reserving Space

Meeting Space:

Recognized Student Organizations that need space for regular or one-time meetings (a gathering of student organizational members and potential members only) should visit the SCPS front desk, located in suite 228D of the Schine Student Center, to check the availability of space and schedule it. A room reservation form must be completed with SCPS in person or online. The organization representative should receive a confirmation from SCPS within 1-3 days of submission.

To reserve space in University facilities other than student centers or academics spaces, please contact the following:

Area	Contact
Quad	SCPS
Archbold or Flanagan Gyms	Recreation Services
Women's Building	Recreation Services
Hendricks Field	Recreation Services
Tennity Ice Pavilion	Recreation Services
Bird Library	Library Administration
Goldstein Alumni and Faculty Center	Food Services
Hendricks Chapel	Hendricks Chapel Dean's Office
Inn Complete	Inn Complete Manager
Manley Field House	Assistant Director of Athletics

*Please note that each facility has different requirements and costs

To reserve a space in a non-University facility such as the Sheraton, etc., please contact your OSA Consultant.

The Semesterly Space Allocation Process:

The Office of Student Centers and Programming Services (SCPS) shall coordinate a Space Allocation Process for Recognized Student Organizations and administrative/academic departments each semester. This process occurs in October and March preceding the semester for allocation.

The Space Allocation process should be followed to secure programming in:

- Goldstein Auditorium
- Schine Underground
- Skybarn
- Goldstein Dining Center

Both the Office of Student Activities and SCPS highly recommend that the student organizations follow the Space Allocation Process to ensure space availability for events.

Student Centers and Programming Services schedules both non-academic and academic space according to the following guidelines. Any questions regarding this process can be addressed to the Director of SCPS, at (315) 443-4240. Refer to the SCPS website for additional information at <http://scps.syr.edu>.

Form Submission

Students will fill out a space request form that is then submitted to the space allocation committee. The committee reviews and approves space based on the following criteria:

1. The organization's event has been approved for funding by SA
2. SCPS space allocation form is submitted by the required deadline
3. Review of each program's programmatic and/or technical needs and its appropriateness with the requested space
4. Review of past program event history, i.e., tickets sales and event attendance

Completion of required paperwork does not guarantee that an organization will receive space on the dates requested by the organization. Alternative spaces may be allocated due to the volume and nature of requests.)

Confirmation Process:

Requests for Event Space in Schine and Goldstein Student Centers

- Space allocation confirmations will be distributed in written form for acceptance or

declination within ten (10) days of the submission deadline date

- Accepted space requests will be processed and confirmed within three (3) business days of receipt
- Declined space will become immediately available to other requesters

Requests for Event Space in Syracuse University Academic Buildings

- Space allocation confirmations will be distributed within three (3) days of the completion of the University Registrar's course and exam scheduling process
- Accepted space requests will be processed and confirmed within three (3) business days of receipt
- Declined space requests will become immediately available to other requesters

Note: The space allocation committee will do its best to place Recognized Student Organization events in their requested venue and date. Priority will be given, however, to events on the University-wide calendar (i.e., Orange Central, Family Weekend, Commencement, etc.).

Use of the Kenneth A. Shaw quadrangle ("The Quad")

The Quad Statement of Purpose:

Syracuse University's Kenneth A. Shaw quadrangle, affectionately known as "the Quad," is an open green space designed to be accessible, safe, attractive, and to be used by members of the University community and their guests. The quadrangle is defined as the grassy area bounded by sidewalks, which include Hendricks Chapel and steps, Link Hall, Carnegie Library, Hinds Hall, and Huntington Beard Crouse Hall. The Quad is part of a centuries-old tradition in higher education: the provision of a peaceful, open-air area for both thoughtful contemplation and social interaction. SU's Quad has been part of the campus since Syracuse University's founding in 1870. Once known as the oval and used for football games, it is

now the University's "crossroads" and is the site for many fond memories for generations of alumni, as well as enjoyment for current students.

Policy for Use of The Quad

Use of The Quad space for Syracuse University-related activities or events must be reserved by an academic or administrative department, or by a Recognized Student Organization (RSO) in good standing with the University. Individual University members who utilize The Quad to exercise free speech absent participants, should refer to the *Syracuse University Student Handbook* for review of the Campus Disruption Policy and the Statement of Student Rights and Responsibilities, specifically, Assembly and Protest.

The Office of Student Centers and Programming Services (SCPS), Suite 228D, Schine Student Center, has established the following space reservation guidelines for The Quad:

- The sponsoring group and participants are bound by applicable University policies, local and state ordinances, and the Code of Student Conduct.
- A minimum of seven (7) business days prior to the proposed event, SCPS must receive an outdoor space request form outlining details about the proposed event. SCPS reserves the right to refuse any request.
- The proposed event (including set-up and breakdown) must NOT conflict with scheduled classes or academic programs, or previously scheduled events. For events that are permitted during these times, no amplified sound devices are permitted.
- A proposed event must NOT present a safety risk or hazard to the participants, to others using the Quad or adjacent space, or to underground utilities. The degree of risk and 18 staffing requirements for all proposed events shall be determined by the Department of Public Safety and/or the Risk Management/Safety Department and/or Physical Plant. Each department will

determine necessary staffing for a respective Quad event.

- Recognized Student Organizations and/or administrative, academic departments may be approved for a maximum of three event requests per semester. An approved event will be defined as any activity that operates between the hours of 7:00 AM and 9:00 PM or any fractional period therein. Events approved to continue beyond 9:00 PM will be considered a continuous event and must be completed within a 48 hour period of the requested event start time.
- Commercial or non-University vendors hired by the event sponsor, shall, at their or the events sponsor's expense, provide to the University Risk Management Department and subject to Risk Management's approval, satisfactory evidence of insurance at least 10 business days prior to the event.
- All costs related to the event (including but not limited to; security, physical plant, etc.), are the responsibility of the sponsor. Sponsors scheduling events on the Quad are responsible for returning to the University's satisfaction the Quad space to the condition that it was found. This includes the removal of fliers, equipment, and debris related to the event.
- Petitions to request exceptions to the above guidelines must be submitted to SCPS at least 21 business days prior to the proposed event.
- Syracuse University reserves the right to cancel any event or activity, if, at any time before or during an event, it is determined that a sponsoring group or participants have breached or misrepresented conditions set forth in these guidelines. The sponsoring group or participants may then be subject to appropriate disciplinary action.

Event Policies

The following policies apply to events occurring on Syracuse University owned, operated, or controlled property. These policies are subject to change without notice.

Syracuse University Concert Policy

Admission for Students, Alumni and Guests Requires the Following:

- A valid ticket
- A valid, SU/SUNY-ESF college I.D. OR picture I.D. that proves that the individual is 18 years of age or older
- Persons under 18 years of age must be accompanied by a parent or legal guardian for admittance

Entrance Requirements:

- All individuals will be checked for weapons, alcohol, and other drugs
- Entrance will be prohibited to persons appearing intoxicated or under the influence of alcohol or other drugs. No beverage containers are permitted inside the facility before, during, or after the event
- Backpacks, weapons, beverage containers, recording devices, laser pointers, canes, umbrellas, sticks, or other hand carried implements will not be allowed into the event. If these items are discovered inside the event, the patron must surrender the item in question or leave the event

Event Rules:

- Individuals will not be allowed readmission once they have departed from the venue
- Once the event reaches capacity, admission will end for the evening. No waiting line will be maintained after capacity is reached
- Any patron of an activity held on Syracuse University property who is found participating in unsafe practices, e.g., moshing, slam dancing, etc., as determined by Department of Public Safety or Office of Risk Management officials, is expected to

cooperate with the request of an SU official to discontinue the practice

- Violators of these policies are subjected to referral to the University judicial System for disciplinary action and referral to law enforcement for other appropriate action

Syracuse University Dance Party Policy

Admission for Students or Alumni Requires:

- A valid ticket
- A valid, SU/SUNY-ESF college I.D., other college I.D. OR picture I.D. that proves the patron is 18 years of age or older

Admission for a Guest of a Syracuse University or SUNY-ESF Student

Requires:

- Accompaniment by a SU/SUNY-ESF student
- Presentation of a valid photo I.D. with proof of age (18 years or older) for admittance

Entrance Requirements:

- All patrons will be checked for weapons, alcohol and other drugs
- Entrance will be prohibited to persons appearing intoxicated or under the influence of alcohol or drugs. No beverage containers are permitted inside the facility before, during, or after the event
- Backpacks, weapons, beverage containers, recording devices, canes, laser pointers, sticks, or other hand carried implements will not be allowed into the event. If these items are discovered inside the event, the patron must surrender the item in question or leave the event

Event Rules:

- Attendees will not be allowed readmission once they have departed from the venue.
- Once the event reaches capacity admission will end for the evening. No waiting line will be maintained after capacity is reached.

- Any patron of an activity held on Syracuse University property who is found participating in unsafe practices e.g., moshing, slam dancing, etc., as determined by Department of Public Safety and/or Office of Risk Management officials, is expected to cooperate with the request of an SU official to discontinue the practice.
- Violators of these policies are subject to referral to the University Judicial System for disciplinary action and/or to law enforcement for other appropriate action.
- A minimum of four (4) students from the sponsoring organization must be present for the entire event to assist event staff if necessary. Two of these students must be present at the event roll call.

Tickets:

- Tickets will continue to be sold at the Box Office until the close of doors for the dance party.
- All complimentary (comp) tickets will be handled through the Box Office. The sponsoring organization(s) will provide to the Box Office a list of patrons who are authorized a comp ticket on the Thursday before the event. To retrieve a comp ticket, the patrons must present themselves with a valid ID at the Box Office. Extra, unused, or unclaimed comp tickets will not be given to anyone (including members of the sponsoring organization) other than the listed patrons. At the prior request of the sponsoring organization(s) to the Box Office, there may be five (5) additional comp tickets set aside for patrons who show up that the sponsoring organization(s) was not anticipating.

Box Office Information

Tickets to all student organization sponsored events held on University property must be sold through the Schine Box Office.

Working With the Box Office

- The sponsoring organization must first complete a Ticket Request Form. The form has to be signed by the organization's Student Activities Organization Consultant, who will provide the appropriate funding account on the form.
- Once the proper signatures have been attained, the organization must submit the Ticket Request Form at least two (2) weeks before the scheduled event.
- Complimentary tickets must first be approved by the Student Activities Organization Consultant and be requested on the Ticket Request Form. Complimentary tickets are subtracted from the total number of tickets available for sale. Complimentary tickets may not be sold. The penalty associated with any sales of complimentary tickets is the loss of complimentary tickets for all the sponsoring organization's future events for a period of at least twelve (12) months and referral for possible judicial action.
- Regular sales updates can be obtained from the Box Office Manager during regular business hours. In addition, the Student Activities Organization Consultant can provide organizations with sales updates.
- The Box Office does not release profits in cash.
- All checks that do not clear are expenses to the sponsoring organization. The Box Office will make one attempt to recover bad checks and will invoke a \$20.00 service fee.
- Events that are cancelled will entitle purchasers to a refund beginning two (2) business days after said cancellation and for a period of fourteen (14) days after refunds begin.

Receiving Profits from Box Office Sales

Programs Funded By the Syracuse University Student Association:

Once the event is over, the reconciliation process will take 10 business days. The remaining funds will be deposited in the sponsoring organization's miscellaneous account in the Office of Student Activities. A box office ticket sales report will be generated and distributed to the Office of Student Activities.

Programs Funded by a Recognized Student Organization and not by the Syracuse University Student Association:

Once the event is over, the reconciliation process will take 10 business days. The remaining funds will be deposited in the sponsoring organization's fundraising account in the Office of Student Activities. The Box Office will generate a ticket sales report and will make it available through the Student Activities Consultant.

Venue Sign Off Procedures

All ticket request forms submitted to the Schine Box Office require a venue representative signature and capacity assigned prior to ticket sales beginning. The venue representative is typically from SCPS, if you have questions about who should sign this form, please contact your OSA Consultant.

Advertising and Publications

Student Publications Guide

Statement of Relationship between Syracuse University and Student Publications

Student publications will be free from censorship and advance approval of copy, and their editors and managers will be free to develop their own editorial policies and news coverage. All institutionally published and financed student publications must state explicitly on the editorial page that the opinions expressed therein are not those of Syracuse University, or of the student body. In addition, student fee funded publications must have the statement “Your Student Fee” on the front cover of the publication.

The Syracuse University Office of Publications works with clients across campus to produce - in a timely and cost-effective manner - high-quality publications that are consistent with the University’s communicating goals. The office is the University’s only authorized purchaser of printing and graphic services from outside sources. In addition, the office is responsible for developing and implementing publication standards for the University offices and departments.

I. Getting Started - Planning Your Publication!

To initiate a project, contact the Office of Publications who may be reached at (315) 443-5513. They will arrange a meeting to discuss your project, your budget, and your desired delivery date. Once a meeting has been arranged, the information you provide will help determine the job specifications for your project. Some of these specifications include: publication quantity, paper size, finish, photographic needs, use of color and other details that will help distinguish your project and determine a timeline for production and printing.

II. Price Quote Process (usually 3-4 business days)

The client account coordinator will use the resources of the Publications Office to work with you in determining the following information, which is necessary to obtain accurate price quotations from printers:

- Quantity
- Size
- Colors: Black counts as one color. The more inks used and the heavier the ink coverage, the higher the printing costs.
- Paper stock: Paper prices can change radically in a short time. The chosen paper stock can be a critical cost factor.
- Artwork: The cost of your publication will vary depending on your use of black-and-white or color photos, illustrations, line drawings, charts and graphs, or other artwork. Generally, as the quantity and complexity of artwork and the number of photos increases, so do printing costs.
- Requests for PDF files from the printer for web use.
- Delivery date: Projects that must be printed in a very short time period may be categorized as “rush” and may cost more to print. Planning ahead and allowing ample time for a project can help save you money.

III. Producing Your Publication

Before your job is printed, you will have a final opportunity to review a printer’s proof. The format of the printer’s proof will vary depending on the number of colors used and the complexity of your project. This is the final step before your job is printed. Changes at this stage can cause delays and incur additional costs. Sign the proof slip*, on which you can indicate any necessary changes. Usually the delivery date is 3-5 business days after the job has been reviewed and approved.

*Each time you review a proof, you are asked to sign a “proof slip” that notes any changes or

indicates you have approved the project for printing. By signing the proof slip, you assume responsibility for the document's accuracy and indicate your satisfaction with the project's design.

IV. Photography and Artwork

An example of artwork that may best meet your needs is:

Client-supplied images: You may already have images you'd like to include in your publication. You may review these in your consultation meeting.

V. File Preparation

If you are providing a job on disk that has already been designed, you must include the screen and printer fonts used to create the document for the printer. Include a hard copy mock-up that illustrates how the publication should appear when it is printed.

PLEASE NOTE: For 4-color printing: RGB (Red, Green, Blue) and CMYK (Cyan, Magenta, Yellow, Black) are acronyms that are important to understand. They represent color theory and color space information. *Printers will require you to have your document set up in CMYK format, and all of your digital photographs in RGB format.*

Converting an RGB file to a CMYK file is not difficult, but there are some important things you should know before conversion. A helpful way to understand the process is to visit the following website: <http://www.cmykconverter.com>

All pages that have a "bleed" off the edge of the page need to be saved with an extra ¼" past crop mark.

Advertising Your Organization Publicizing Your Programs

1. All advertisements should include essential information, such as date, time, ticket cost and

availability, place of the program and the sponsoring organization's name.

2. Printed materials should be easy to read, yet distinct and eye catching. Printed materials should reflect your organization's purpose and mission and be inclusive of all Syracuse University students. Avoid offensive themes and statements.

3. Timing is crucial in effective publicity. Posters, flyers, and table tents should be ready to distribute at least four weeks before the program is scheduled to occur. Public service announcements should be disseminated beginning at least three weeks before the program.

4. If the program is funded in whole or in part by the Syracuse University Student Association, include the following statement on all publicity: *"Your Student Fee...."* Failure to do so will jeopardize funding for the program.

5. Keep in mind the Syracuse University Policy on Use of SU Logo and Other University Trademarks: *The use of the Syracuse University name, seal, logo, and other registered trademarks is prohibited unless a licensing agreement is finalized with the Office of Licensing Programs.* Artwork of the registered marks also is available from this office. Additional information may be obtained by calling the Office of Trademark Licensing, 315-443-2722.

Copying and Duplicating

Recognized student organizations may use 'Cuse Copy to copy flyers for upcoming meetings and programs.

Each recognized student organization is allotted 1,200 copies at 'Cuse Copy (600 Color, 600 B&W) per academic year. Copy Request Forms can be filled out online via OrgSync at Orgsync.com/10755/forms/207686. Please allow 2-3 business days for approval. The Syracuse University Student Association or the Student Activity Fee will not pay for any copies greater than

the allotment unless prior arrangements have been made.

Student organizations may take their approved copy request forms to 'Cuse Copy to be used as payment for flyer printing.

'Cuse Copy is located in the lower level of the Schine Student Center, (315) 443-3455. Its hours of operation during the academic year are between 8:30 AM and 5:00 PM.

Office of Student Activities Flyer Policy

To assist Recognized Student Organizations with the advertisement of their programs and events, the Office of Student Activities has developed an approval process for all posters and flyers. Once approved by Student Activities, posters and flyers can then be distributed to Syracuse University residence halls and posted in the Schine Student Center.

To submit your flyer for approval, do the following:

- Submit your flyer online via the Copy Request form on Orgsync. Your Student Activities Organization consultant will then review your poster or flyer. They will review the flyer for the following requirements:
 - Date of program/event
 - Time of program/event
 - Location of program/event
 - Recognized student organization name--please note that only programs and events sponsored by currently recognized student organizations will be approved
 - Organization contact name and phone number, e-mail or web page where questions concerning the program/event may be addressed
 - Flyers for program/events funded via the Student Association must include the phrase: "Your Student Fee"

- Flyers for program/events funded via the Student Association must include the phrase: "If you require additional accommodations, please contact (EMAIL) by (DEADLINE)"

- The flyer must be in accordance with all of Student Activities and University missions, values, and policies

- Once a flyer is approved, then you may print your flyers through 'Cuse Copy Center.

Organizations that abuse the Student Activities Poster or Flyer Policy may be found in violation of the Syracuse University Code of Conduct. Organizations may not attempt to falsify flyer approval in any way.

If a flyer is rejected, your Student Activities Organization consultant will list the reasons for rejection in an email to the flyer's submitter. An organization may re-submit an improved flyer for approval at that time.

Campus Digital Kiosks

Recognized Student Organizations and University departments are eligible to use digital campus kiosks, located in the Schine Student Center and Goldstein Student Center. The following steps must be completed to claim a spot in the digital kiosk rotation:

For student organizations, please make sure your event's funding and space have been secured before poster submission. Please select your student organization consultant to help with the approval process. If your consultant/advisor is not listed please include the person's name and email address in the notes field.

Posters should be submitted at least one week prior to an event. That will allow enough time to process your request and ensure enough time to properly market your event.

Recognized Student Organizations and University departments may register to have a poster displayed in the campus kiosks for up to 10 days. Posters may remain longer if space is available and the marketed program has not already occurred. To reserve a digital kiosk space, complete the online form at <https://orgsync.com/10755/forms/162146>.

Dining Centers: In order to advertise on the menu boards in our dining centers, student organizations can fill out this form:

<http://foodservices.syr.edu/residential-dining/table-advertising-request/> on the Food Services website. Items to be posted must be SU/SUNY ESF affiliated, include the name of the sponsoring organization clearly on the item, and display an expiration date and contact information, should someone have questions about the program.

Student Center Exterior Banners: Banners that meet specific guidelines may also be placed on the outside of both student centers. For [information on banner criteria](#) and scheduling for this space, contact the Student Centers and Programming Services Office at (315) 443-4240 or stop in to 228D Schine Student Center.

Information Tables: Information tables can be reserved by Recognized Student Organizations and University departments for distributing information on a program or an upcoming event.

Information tables are not available to off-campus vendors (e.g., credit card vendors, goods and services providers). (See the Fundraising Policy on page 11).

Tables must be reserved in advance as follows:

Schine Student Center: The Schine Student Center has six tables available to be reserved on a first-come, first-served basis through the Student Centers and Programming Services Office. Recognized

Student Organizations are invited to reserve tables up to three times a month. Radios, played at a reasonable level, are permitted between the hours of 12:00 PM and 1:30 PM.

Goldstein Student Center, South

Campus: The Goldstein Student Center has four tables available to reserve on a first-come, first-served basis through the Information Desk. Recognized Student Organizations are invited to reserve tables up to three times a month. Radios, played at a reasonable level, are permitted between the hours of 5:00 PM and 7:00 PM.

Residence Hall Dining Centers:

Recognized Student Organizations and University departments must contact each dining hall for permission and guidelines for tables.

Posting Policies: Campus Posting Policy

The following policy is designed to allow Recognized Student Organizations, administrative and academic departments, individual students, and individual employees to properly post items on Syracuse University property in a manner consistent with the mission of Syracuse University.

Requirements: All display materials must include:

- Name of the sponsoring organization, department, or responsible individual
- Date, time and location of program
- Approval from the appropriate department as required by location

In addition:

- Sponsors are responsible for the removal of materials after the date of the event. Materials not removed on a timely basis by the event sponsor may be removed by University personnel.
- Materials not associated with a specific event or program may be displayed for no more than ten (10) business days unless specific approval is obtained from the

Office of Student Centers and Programming Services.

- Materials must not be obscene or defamatory and must not violate University policy, or federal, state, or local laws.
- Any material not written in English requires an English translation to be kept on file with the Office of Student Activities.

Locations: Each school or college, academic facility, and administrative building has formulated procedures for posting materials within its own confines. Please note that these procedures may be more stringent than the general requirements provided below and may vary from building to building. In the event a specific posting policy by an academic or administrative facility conflicts with the requirements set forth below, that procedure takes precedence over these requirements. Building coordinators may remove materials that have not been posted according to the guidelines below:

General Guidelines:

- a. Only general-purpose bulletin boards in each building may be used for posting.
- b. Posters or flyers must be affixed with thumbtacks, pushpins, or regular staples, not glue or tape.
- c. Posters or flyers must be limited to one per bulletin board per event.
- d. Posters may not exceed 11 by 17 inches, except with the authorization of the building coordinator or other authorized University official.
- e. Bulletin boards that are labeled as “special purpose” are limited to that purpose and non-related announcements will be removed.

f. Posters or flyers may not be placed on interior or exterior walls, floors, doors, windows, sidewalks, statues, or public art.

Academic Facilities: Consult the dean’s office of each school or college or the building coordinator in charge of that facility.

Residence Halls: All postings hung in University residence halls must be stamped per the Student Activities flyer policy (please see page 26 of this handbook for detailed information). In addition, please see page 30 for the Office of Residence Life posting policy.

Student Centers: All postings in the Schine Student Center and the Goldstein Student Center must be stamped per the Student Activities Flyer Policy (see page 26 for more information). Organizations that wish to have posters hung in the Schine atrium must deliver the posters to the Office of Student Centers and Programming Services, Room 228D, Schine Student Center. Organizations must allow 24 hours for the poster to be hung. Organizations that wish to hang posters in the Goldstein Student Center should drop them off at the Goldstein Information Desk; again, allowing 24 hours for Goldstein staff to hang the posters.

Chalking: Recognized Student Organizations and University departments may request to chalk on the Syracuse University Quad non-brick sidewalk areas. Syracuse University Quad sidewalks are defined as the quadrangle bound by Hendricks Chapel, Link Hall, Carnegie Library, Hinds Hall, and Huntington Beard Crouse Hall. Only water-soluble chalk is permitted.

Permission to chalk must be requested via a request form from the Office of Student Centers and Programming Services, 228D, Schine Student Center.

Except as set forth above, no posting or chalking is allowed outdoors on University property.

Prohibitions

The following is a list of actions prohibited under the Campus Posting Policy:

- Attaching posters or flyers or spray painting on woodwork, statues, or other public art, walls, trees, doors, light/telephone poles, sidewalks/walkways, stairwells, vehicles, roads, grassy areas, windows/transparent surfaces, bus shelters, or other areas not expressly permitted through this policy
- Posting messages or symbols on grassy areas
- Hanging banners on external surfaces without first obtaining permission
- Causing damage to personal or University property

Additional Restrictions and Requirements

Syracuse University acknowledges that a policy of this nature may not anticipate every possible issue that may arise with respect to on-campus posting. As a result, the University reserves the right to impose reasonable restrictions and/or requirements with respect to time, place, and manner of posting activities. These restrictions may be in addition to, or in lieu of, those set forth in this policy.

Enforcement

- Postings displayed in violation of this policy will be removed regardless of content.
- Outdoor areas will be checked periodically by the Physical Plant Grounds Department. Materials not posted in accordance with this policy or posted past the time of the event will be removed. The appropriate building coordinators will monitor indoor areas.
- The University Judicial System has jurisdiction over complaints filed against any University student, or Recognized Student Organization(s) who destroys, defaces, or removes posters on University bulletin boards, or who posts material in a manner inconsistent with this policy.

Sanctions

Sanctions for violation of this policy by students and/or Recognized Student Organizations include,

but are not limited to: fines and/or restitution, loss of future posting and/or facilities use privileges, loss of recognition for Recognized Student Organizations, other disciplinary sanctions, and other educational sanctions appropriate to the circumstances.

University employees violating this policy may be subject to disciplinary action by the University. Syracuse University reserves the right to update and amend this posting policy at any time.

Office of Residence Life Posting Policy

The following guidelines reflect the commitment of the Office of Residence Life to foster an educational environment. The guidelines are specific for reasons of safety and security and the need to maintain an environment conducive to the pursuit of learning.

Information to Be Posted

All posted materials must specify the date, time, place, and sponsor of the event/program. The availability of alcoholic beverages at an event may not be advertised or publicized. All materials must conform to the policies and procedures of Syracuse University and the Office of Residence Life. The Office of Residence Life reserves the right to make exceptions to this policy at any time. You can contact the Office of Residence Life at 315-443-3637 or visit us in our office at 111 Waverly Avenue for more information.

Approval of Materials to Be Posted

As of Fall, 2016, the following process is in effect:

- Only Recognized Student Organizations (RSO's) and University departments are permitted to post flyers/posters in the residence halls.
- All posted materials must specify the date, time, place, name of the sponsoring organization of the event or program, and organization contact name, email or webpage where questions or concerns regarding the program/event can be directed. Materials that do not contain this information will not be accepted.

- Events at which alcoholic beverages will be served will not be publicized.
- All materials must conform to the policies and procedures of Syracuse University and the Office of Residence Life.
- Materials may not exceed 11" x 18" in size.
- For RSO's - All flyers/ posters must first be approved by the organization's Student Activities organization consultant as part of the program planning process. Posters will be approved for both content and appearance.
- University departments do not need to have their materials reviewed by Student Activities prior to delivery to Residence Life.
- Upon the organization consultant's approval, the flyer or poster will be stamped with the Recognized Student Organization (RSO) stamp. Flyers/posters can then be duplicated.
- A total of 152 flyers/posters can be duplicated for the residence halls. They are to be counted out and divided by hall, with the name of the hall written on the top of each group as follows:

Number Of Posters That Will Be Approved For Each Hall/South Campus (Total: 152)

Boland	9
Kimmel/Marion	6
Booth	8
Lawrinson	18
Brewster/Brockway	12
Sadler	10
Day	9
Shaw/ILC	10
DellPlain	9
South Campus / Skyhalls	10
Ernie Davis	8
Watson/Sheraton	14
Flint	9
Central Office	1
Haven/Walnut/Washington Arms	19

- Flyers/posters are to be delivered to the Office of Residence Life, Suite 200,

Waverly Avenue, at least 10 business days before the event date. Posters received after that date may not appear in time to afford sufficient notice of the event.

- Posted materials (flyers, posters, etc.) hung in the residence halls without prior permission of the Office of Residence Life will be removed and disposed of. Appropriate judicial action may be initiated against the student organization found violating this policy.

Promotions Policies

Distribution of Handbills

The distribution of handbills in the residence halls is prohibited. Placing materials on or under residence hall room doors is strictly prohibited.

Placement of Banners

RSOs and University departments are prohibited from hanging banners in the residence halls.

Tabling in the Residence Halls

The Office of Residence Life does not permit tabling in the residence halls by RS O's, University departments, or outside organizations. Tabling in the dining centers (a less labor-intensive and much more efficient means of reaching students) can be arranged by contacting Food Services at 443-3608.

Conducting Collection Drives in the Residence Halls

Recognized student organizations can request the opportunity to conduct collection drives in the residence halls by contacting the Office of Residence Life several weeks in advance of their planned collection dates. RSOs will be required to submit for approval all publicity that will be used to publicize the drive. Drives are restricted to a maximum length of two weeks. Only one drive may occur at a time.

Non-Compliance

Violations of this policy will be adjudicated via the Office of Student Rights and Responsibilities.

Off-Campus Publicity

If you want to publicize your event, program, or service using the Syracuse community newspapers, radio stations, or TV stations, you should contact the Director of Communications at (315) 443-8568. Please put the details of the event together in a press release, see below for guidelines, so this individual is better able to help you create a Syracuse community promotion plan.

How to Write a Press Release

Obtaining free advertising is often the most cost effective means of reaching a wide audience. A concise, coherent press release makes it easier for media outlets to write a story or update their audiences about your program. These steps can be used as guidelines for writing a press release:

- Type “Press Release *** Press Release *** Press Release” across the top of the page.
- Think in terms of the audience of the media outlet to which you are writing
- Provide a catchy title/headline
- Provide the time, date, and program location
- Describe the purpose of the program
- Be succinct. Keep the release to one page whenever possible, as the second page is rarely read
- Put the most important facts in the first two or three paragraphs
- Provide a contact name from your organization to verify or supplement the text

Mailing Options

- Both campus mail and off-campus mail with postage affixed can be dropped off at the Schine Student Center, Goldstein Student Center, and Student Activities Front desk.
- For parcel shipping, Recognized Student Organizations may use the Syracuse University Bookstore. RSOs must complete an expenditure form to

receive a purchase order to cover costs of shipping.

- Recognized Student Organizations seeking to mail items may give the item to a Student Activities staff member for mailing. RSOs may request a standing inter-departmental order for mail services from their fundraising account.

Recognized Student Organization Mailboxes

Recognized Student Organizations are assigned a mailbox in the Office of Student Activities, Suite 126, in the Schine Student Center. Students have access to these mailboxes during Schine Student Center hours of operation. You may use the following address to receive mail:

Name of Student Organization
C/O: Name of Contact Person
Office of Student Activities
126 Schine Student Center
Syracuse NY 13244

All RSO mailboxes are closed and cleaned out following the end of the fall semester and after Commencement in May of each year. Please make arrangements to check your mailbox and to stop mail service before this date.

Recognized Student Organizations may distribute mail to other RSOs via their Student Activities mailboxes; however, Student Activities does not recommend that student organizations put flyers for upcoming programs in the organization mailboxes. They are hardly read and often thrown away, wasting reams of paper per semester. Announcements of events not affiliated with Syracuse University or SUNY-ESF will be removed immediately from the mailboxes and destroyed.

Residence Hall Mailboxes

The use of residence hall student mailboxes is limited to federal mail, campus mail, and

information regarding residence hall issues, programs, or events.

Recognized Student Organizations not directly affiliated with residence halls may not mass distribute flyers or other advertisements through student mailboxes.

Risk Management and Other Policies

Tips on Managing Risk

A key element of success for any student group is an effective risk management policy to ensure that planned events are a safe and fun experience for all. Risk management is the process of examining the potential and perceived risks involved in an organization's activities, as well as supervising those activities and taking corrective actions and proactive steps to minimize accidental injury and/or loss. In order for student organizations to remain a part of Syracuse University, it is important they take precautions and carefully plan their activities so they can avoid situations that may jeopardize their standing as an organization on campus.

It is important that every time your organization holds an activity, you balance the risks of the activity versus what you expect to gain. In doing this, you will want to look at whether your activity has risks, determine whether those risks outweigh the benefits, identify what measures you have taken to prevent problems at the activity, and examine what procedures you have in place if problems occur. You must exercise reasonable care in managing your event and work to avoid harm to your members and others.

If you can prevent a problem from occurring through training, precautions, and planning, you need to take the reasonable precautions. If during your planning, you discover that the risks outweigh even your best precautions, you should seriously consider choosing a

different activity.

Things to keep in mind:

- Victims can sue a group, or individuals associated with a group. They can also sue anyone who had authority over the group or activity that harmed them (e.g., national organizations).
- Behaviors that cause harm to an individual also can result in criminal penalties (e.g. serving alcohol to minors, hazing).
- Participants should be warned of the dangers inherent in an activity.
- If you are affiliated with a national organization, find out from your national representative what the insurance policy is for the national organization and what events or officers are covered by that policy for local chapters.
- Contracts are binding agreements, under no circumstance should you sign anything!
- Preventing hazing and harassment (of any kind) is important as your organization can suffer serious consequences if they are a part of your activities. Both types of behavior are illegal and will not be tolerated by the University.

The following is a simple risk management checklist for you to use when planning an event:

- Risk Identification - What are the risks associated with this event. Do not limit yourself to physical risk. Think also in terms of financial risks, risks to reputation, etc.
- Risk Assessment - Risks should be evaluated by the seriousness of their potential impact on the individual and group.
- Risk Mitigation Strategies - What can be done to reduce the potential damage the activity could cause?
- Risk Plan - Develop a plan to reduce the risk and response procedures to handle incidents stemming from these risks.
- If the plan is difficult to implement, you cannot identify appropriate safeguards, or it will be too costly and still does not reduce the risk, **THE ACTIVITY IS TOO RISKY!** Choose another

activity that will accomplish the same goals with less risk.

The Office of Student Activities is committed to the success of your organization. Part of that success is risk management. If you have any questions or would like more information on risk management, please visit the Office of Student Activities, suite 126, Schine Student Center.

Syracuse University Statement of Student Rights and Responsibilities

Syracuse University is an academic community and all persons- students, faculty, administrators and staff- share responsibilities for its growth and continued welfare. As members of the University community, students can reasonably expect that all University offices, programs, employees, and organizations will respect the following rights.

Syracuse University further encourages all members of the University community to endorse, support, and abide by the following statement of values, which this community has deemed fundamental to its mission and integral to its growth.

1. Speech/Expression/Press

Students have the right to express themselves freely on any subject provided they do so in a manner that does not violate the Code of Student Conduct. Students in turn have the responsibility to respect the right of all members of the University to exercise these freedoms.

2. Non-discrimination

Students have the right not to be discriminated against by any agent or organization of Syracuse University for reasons of age, creed, ethnic or national origin, gender, disability, marital status, political or social affiliation, race, religion, sexual orientation, or gender identity and gender expression. In their individual roles as members of student organizations, students have the responsibility not to discriminate against others.

3. Assembly/Protest

Students have the right to assemble in an orderly manner and engage in peaceful protest, demonstration, and picketing that does not disrupt the functions of the University, threaten the health or safety of any person, or violate the Code of Student Conduct.

4. Religion/Association

Students have the right to exercise their religious convictions and associate with religious, political, or other organizations of their choice in University facilities provided they do so in a manner that respects the rights of other members of the community and complies with the Code of Student Conduct. Students have the responsibility to respect the rights of other members of their University community to free exercise of their religious convictions and to free association with organizations of their choice.

5. Privacy/Search/Seizure

Students have the right of privacy and to be free from unreasonable searches or unlawful arrest on University property and within their campus residences. Students have the responsibility to respect the privacy of other members of the University community in their person and in their place of residence.

6. Academic Pursuits

Students have the right to accurate and plainly stated information relating to maintenance of acceptable academic standing, graduation requirements, and individual course objectives and requirements. Students can expect instruction from designated instructors at appointed class times and reasonable access to those instructors. Students have the responsibility to attend class and know their appropriate class requirements.

7. Quality Environment

Students have the right to expect a reasonably safe environment supportive of the University's mission and their own educational goals. Students have the responsibility to protect and maintain that environment and to protect themselves from all hazards to the extent that reasonable behavior and precaution can avoid risk.

8. Governance/Participation

Students have the right to establish representative governmental bodies and to participate in University governance in accordance with the rules and regulations of the University. Students who accept representative roles in the governance of the University have the obligation to participate responsibly.

9. Fundamental Fairness

Students have the right to fundamental fairness before formal disciplinary sanctions are imposed by the University for violations of the Code of Student Conduct- as provided in the published procedures of the University's Judicial System or other official University publications. Students have the right to written notice and the opportunity for a hearing before any change in status is incurred for disciplinary reasons unless a significant threat to persons or property exists.

10. Confidentiality

Students have the right to access and control access to their educational records as provided in the federal Family Educational Rights and Privacy Act of 1974, also known as the Buckley Amendment. These include the rights to review and challenge the content of educational records, to control disclosure of personal and academic information to third parties, and to limit the routine disclosure of all or some information defined as "directory information" by the Act.*

**The above statement is also true for international students and scholars, except where specified by the legislation, rules, and regulations governing the particular visa status.*

Syracuse University Code of Student Conduct

Students at Syracuse University are expected to conduct themselves in a manner supportive of the educational mission of the institution. Integrity, respect for the person and property of others, and a commitment to intellectual and personal growth in a diverse population are values deemed fundamental to membership in this University community.

Syracuse University considers the following behavior, or attempts thereof, by any student or student organization, whether acting alone or with any other persons, to violate the Code of Student Conduct:

1. Physical harm or threat of physical harm to any person or persons, including but not limited to: assault, sexual abuse, or other forms of physical abuse.
2. Harassment, whether physical or verbal, oral or written, which is beyond the bounds of protected free speech, directed at a specific individual(s), easily construed as "fighting words," and likely to cause an immediate breach of the peace.
3. Conduct that threatens the mental health, physical health, or safety of any person or persons, including hazing, drug or alcohol abuse, and other forms of destructive behavior.
4. Academic dishonesty,* including but not limited to plagiarism and cheating, and other forms of academic misconduct; for example, misuse of academic resources or facilities, misuse of computer software, data, equipment, or networks.
5. Intentional disruption or obstruction of lawful activities of the University or its members, including their exercise of the right to assemble and to peaceful protest.
6. Theft of or damage to personal or University property or services or illegal possession or use of the same.
7. Forgery, alteration, fabrication or misuse of identification cards, records, grades, diplomas, University documents, or misrepresentation of any kind to a University office or official.
8. Unauthorized entry, use, or occupation of University facilities that are locked, closed, or otherwise restricted as to use.
9. Disorderly conduct including, but not limited to, public intoxication, lewd, indecent, or obscene behavior, libel, slander, or illegal gambling.
10. Illegal manufacture, purchase, sale, use, possession, or distribution of alcohol, drugs, or

controlled substances, or any other violation of the Syracuse University Policy on Alcohol, Other Drugs, and Tobacco.

11. Failure to comply with the lawful directives of University officials who are performing the duties of their office, especially as they are related to the maintenance of safety or security.
12. Unauthorized possession or use of any weapon, including: firearms, BB-guns, air rifles, explosives devices, fireworks, or any other dangerous, illegal, or hazardous object or material, and improper use as a weapon of any otherwise permitted object or material.
13. Interference with or misuse of fire alarms, blue lights, elevators, or other safety and security equipment or programs.
14. Violation of any federal, state, or local law that has a negative impact on the well-being of Syracuse University or its individual members.
15. Violation of University policies, rules or regulations that are published in the Student Handbook, or other official University publications or agreements.
16. Culpability is not diminished for acts in violation of this Code that are committed in ignorance of the Code or under the influence of alcohol, illegal drugs, or improper use of controlled substances.

*Cases involving academic dishonesty are handled within the student's school or college.

Syracuse University Anti-Hazing Policy

A. Statement: Syracuse University is dedicated to promoting a safe and healthy campus environment for its students, faculty, staff, and visitors. In addition, Syracuse University is committed to promoting an environment that fosters respect for the dignity and rights of all its community members. As such, the University will not tolerate hazing activities by any individuals, groups, teams, or recognized student organizations.

B. Definition: Syracuse University defines hazing to be any action that intentionally or recklessly causes or is

likely to cause harm to the mental or physical health or safety of one or more persons for the purpose of initiating, promoting, fostering, or confirming any form of affiliation with a group or organization. In addition, subjecting any person or persons to commit an act that violates human dignity, the Code of Student Conduct, or the law for the purpose of initiating, promoting, fostering, or confirming any form of affiliation with a group or organization is prohibited. The express or implied consent of participants or victims will not be a defense.

Examples of hazing include, but are not limited to the following: forced or required consumption of alcohol or other substances, sleep deprivation, kidnapping, threats of harm, actual physical harm, (e.g. paddling, beating, branding), performing any service or action under coercion or duress.

To make a report of hazing, or to determine whether a proposed activity constitutes or will constitute hazing, contact the Office of Student Activities at (315) 443-2718, the Office of Student Rights and Responsibilities at (315) 443-3728, or the Department of Public Safety at (315) 443-2224. Anonymous reports also can be made to the Department of Public Safety through the Silent Witness program at <http://publicsafety.syr.edu>, or by calling (315) 443-TIPS (8477).

C. Enforcement: Syracuse University will enforce this policy through internal disciplinary procedures, the external prosecution of alleged offenders, or both. Individuals who participate in acts of hazing will be held accountable under this policy and the Code of Student Conduct.

D. Reservation of Rights: Syracuse University reserves the right to update and amend this policy at any time.

Campus Disruption Policy

Syracuse University regulations on campus disruption apply to students, faculty, administrators, and staff for the maintenance of public order on the University's owned, operated, or controlled property and at its

sponsored events.

Pursuant to the requirements of the New York Educational Law 6450 (Art. 129a, 1969), the following rules, regulations, and enforcement procedures are adopted for the maintenance of public order on Syracuse University owned, operated, or controlled property.

A. Prohibited Conduct: Syracuse University is committed to the principle that freedom of discussion is essential to the search for truth and, consequently, welcomes and encourages the expression of dissent. Freedom of expression, however, ceases at the point at which its exercise infringes on the rights of either participants or non-participants. In order to preserve freedom of discussion and to protect the rights of all, the following conduct is prohibited:

1. Obstruction or disruption of teaching, research, administration, disciplinary proceedings, pedestrian or vehicular traffic, or other University activities, including public service functions and other authorized activities on University owned, operated, or controlled property.
2. Detention or physical abuse of any person on University owned, operated, or controlled property, or conduct that threatens or endangers the health or safety of any such person.
3. Destruction of or damage to University property or the property of any person where such property is located on University owned, operated, or controlled property.
4. Illegal or unauthorized possession or use of firearms, explosives, dangerous chemicals, or other dangerous weapons or instruments on University owned, operated, or controlled property.
5. Entry on or use of University facilities or property without authorization, or violation of regulations governing the use of University facilities or property.

6. Failure to comply with directives of University officials or law enforcement officers acting in the performance of their duties.
7. Acts that recklessly or intentionally endanger mental or physical health or involve the forced consumption of alcohol or drugs for the purpose of initiation into or affiliation with any organization.
8. Aiding any other person to engage in any act or conduct herein proscribed.

B. Removal from Premises: Any person while on University owned, operated, or controlled property who refuses the request or command of an authorized University official to desist in any prohibited conduct may be ejected from such property where such conduct constitutes a disruption to public order.

C. Violations and Sanctions: A student charged with violating the prohibitions listed under Section A will be subject to the disciplinary sanctions and procedures outlined in the *Student Handbook*, under the heading of “Student Rights and Responsibilities,” and the published policies of the University Judicial System.

Student Organization Travel Policy

I. Purpose

Syracuse University seeks to promote safe travel to events and activities occurring beyond the boundaries of University property by students and Recognized Student Organizations (RSO). As such, this Policy applies to individual student and RSOs travel both in cases where the travel is sponsored by Syracuse University’s Division of Enrollment and the Student Experience and in cases where the travel is independent of DSA sponsorship but where an individual student or RSO travels on behalf of, or with the financial support of, one or more RSOs of Syracuse University. Examples of activities and events that fall under this Policy include, but are not

limited to: Division of Enrollment and the Student Experience-sponsored field trips, club sports trips, the activities of RSOs, Student Association-funded community service travel, and in situations where a student or RSO officially represents the University, e.g., leadership academies, conferences, and other programs.

This Policy does not apply to travel undertaken by individual students attending out of town athletic/recreational events as a non-participant (except when traveling on behalf or with the financial support of a RSO as described above), engaging in student teaching, internships, practicums, observations or research, or participating in intercollegiate athletics competitions under the auspices of the Department of Athletics or activities organized by the Mary Ann Shaw Center for Public and Community Service.

II. Definitions

A Recognized Student Organization is one that has been formed for educational, professional, social, recreational or other lawful purposes, derives the majority of its membership and all of its leadership from the student body of Syracuse University and the State University of New York College of Environmental Science and Forestry (SUNY ESF), has been approved for recognition by the Office of Student Activities, and maintains a current registration status with the Office of Student Activities.

A University sponsored event or activity is one that is initiated, actively managed, planned and arranged by a member of the University's faculty or staff, or by members of an RSO that has been granted sponsorship by the University, and is approved by an appropriate administrator and/or an event or activity that the University actively manages, is involved with, or oversees financially, physically, or administratively.

A currently enrolled student is one who is a student who is currently registered at the University, whether on a full- or part-time basis.

An appropriate administrator is a Dean, Department Chair, or Director of an administrative unit, or his or her authorized designee.

III. General Requirements

All student and RSO travel falling within this Policy must meet the following requirements:

- A. RSO travel must be consistent with the organization's mission statement and constitution on file with the Office of Student Activities. Travel must be planned so as not to create an undue interference with academic responsibilities.
- B. An individual student or RSO must complete and submit the [Student Travel Form](#) to the Office of Student Activities no later than five (5) business days before the scheduled trip.
- C. All students traveling must complete and submit an [Off-Campus Travel Waiver and Assumption of Risk Form](#) to the Office of Student Activities no later than five (5) business days before the scheduled trip.
- D. All University sponsored travel must be chaperoned by a faculty or staff mentor, except as provided in Section V(C) below. A student officer from the RSO must accompany the trip for all non-University sponsored travel. Syracuse University will view this student officer as the party responsible for the trip. Furthermore, the student officer must carry a copy of all emergency contact information for all students participating in the trip.
- E. The name, address, and telephone number of the faculty/staff mentor to the RSO must be submitted utilizing the appropriate form. Faculty/staff mentors also are required to maintain a copy of the appropriate form and discuss the Syracuse University Code of Student Conduct with the RSO leader(s)

organizing the trip. The faculty/staff mentor is expected to exchange emergency contact numbers with students and obtain an indication of who each student desires to be notified in the event of an emergency.

- F. All trips are required to follow the Division of Enrollment and the Student Experience Student Travel Guidelines noted in section VII, below.
- G. Any trip taken without submission of a complete and accurate Student Travel Form or other violations of this policy may result in individual and/or organizational discipline as outlined in the University Judicial System Handbook, together with such additional action as may be deemed appropriate under the circumstances.

IV. Field Trips

Pursuant to this policy, it is understood that travel occurs only beyond the boundaries of Onondaga County. Journeys beyond the boundaries of the University campus but within Onondaga County, whether sponsored by the University or not, are considered field trips. As such, they are subject to the relevant guidelines within the Department of Risk Management. These guidelines may be found at:
<http://riskmanagement.syr.edu>.

V. University Sponsored Student Travel

To assure that events or activities involving student travel are consistent with the University's mission and that student safety issues have been addressed, University sponsored student travel must be approved in advance by an appropriate administrator. The appropriate administrator will assure that the proposed travel request conforms to the procedures outlined in Section VII: Division of Enrollment and the Student Experience Student Travel Guidelines.

The following rules apply to the travel of currently enrolled undergraduate or graduate students attending activities or events sponsored by Syracuse University's Division of Enrollment and the Student Experience which occur beyond the boundaries of Onondaga County.

- A. To request authorization, members of the faculty, staff or RSO granted funding who organize activities covered by this Policy must submit a completed Student Travel Form to the appropriate administrator for approval. The request must be submitted at least five (5) business days in advance of travel. Club sports organizations should consult with the Department of Recreation Services for specific details concerning exceptions to the five business day notice period.
- B. Club Sports officers will receive the [Club Sports Handbook](#) from the Department of Recreation Services and will share with members of the club specific information regarding health insurance and the risks inherent in club sports activities.
- C. All University sponsored trips must be chaperoned by a staff or faculty member, except with the approval of an appropriate administrator. If students are traveling on their own for the purpose of an RSO, and University funds are being utilized to support the activity (e.g., club sports teams participating in out of town competition), the president of the student organization must meet with an administrator in the appropriate office (Club sports - Department of Recreation Services; other activities - Office of Student Activities) prior to the trip to review specific trip details.
- D. Names and pertinent information may be submitted via the Office of Student Activities web site at <http://studentactivities.syr.edu>. Faculty or staff chaperones are expected to carry emergency contact information for all students on the trip.

VI. Non-University Sponsored Travel

Non-University sponsored travel occurs when travel to an off-campus activity or event beyond the boundaries

of Onondaga County is required as part of membership in an RSO functioning under the auspices of the Division of Enrollment and the Student Experience, but University funds are not utilized to support the travel.

In some cases, the Student Association may support the RSO travel by providing funding for conference registration. This funding does not alter the non-University sponsored nature of the travel. Instances where RSO's are traveling by vehicles in excess of 10 hours, must have a faculty/staff chaperone on the trip. The RSO president must meet with their Student Activities administrator prior to the trip to review specific trip details.

Note: It is the policy of the Student Association (Statute 4, II, C, 6-7) that RSO transportation expenses shall not be paid for by the Student Activity Fee unless transportation expenses are for community service events (as defined by the Finance Board) which benefit Syracuse University and SUNY ESF students. Moreover, the Student Association limits conference funding to paying for the registration of participants, not to exceed one-thousand dollars (\$1,000).

RSOs also may utilize their own funds acquired through fundraising, dues, or other lawful sources, to support Non-University sponsored travel.

When participating in non-University sponsored travel, RSOs are required to submit the [Student Travel Form](#) available via the Office of Student Activities web site at <http://studentactivities.syr.edu> under "travel policy." In addition, the RSO is subject to those requirements described in Section III of this policy.

VII. Division of Enrollment and the Student Experience Student Travel Guidelines

Syracuse University, in furtherance of its not-for-profit mission as an institution of higher education, through its

various departments and offices, provides opportunities for student travel to activities that facilitate and/or enhance the learning process taking place within the University community. Participation in such activities shall be limited to members of the University community. These Guidelines do not apply to international travel, study abroad travel, or travel under the auspices of the Department of Athletics. SU Abroad, the Risk Management Department, and/or the Department of Athletics should be consulted on those matters.

Participants in activities involving student travel are responsible for their own behavior and any resulting consequences. The University shall not be liable for any loss, damage, injury or other consequence resulting from a participant's failure to comply with University rules and regulations, the direction of University employees, or applicable law.

Without limiting the foregoing, all trip participants are required to (a) comply with the standards set forth in the Syracuse University Code of Student Conduct and with applicable University policies, procedures, rules and regulations, understanding that such compliance is important to the success of the trip and to the University's willingness to permit future similar activities; and (b) conform their conduct to the standards surrounding the trip and assume responsibility for their own actions, understanding the circumstances of an off-campus activity may require a standard of decorum which may differ from that applicable on campus. Violations of the foregoing requirements may subject participants and sponsoring organizations to disciplinary action pursuant to the Syracuse University Judicial System Policies and Procedures.

Please note for University sponsored travel, it is the responsibility of the department sponsoring the program to assure compliance with these guidelines including any reference policies such as the University's vehicle safety policy.

The following additional guidelines also apply to all travel activities subject to the Syracuse University Student Travel Guidelines:

- A. **Pre-trip Meeting:** The faculty member, administrator, and/or RSO in charge of the trip, whether sponsored or not sponsored, should hold a pre-trip planning meeting with all participants to discuss the planned itinerary, behavioral expectations, and transportation details.
- B. **Transportation:** The sponsoring University department should be prepared to arrange for transportation by official University vehicle(s), rental vehicle(s), chartered service, regularly scheduled transportation service, or, if necessary, personal vehicles. The following rules apply to the use of vehicles.
 - a. **University Vehicles - Only** University employees can drive. (Refer to the University Vehicle Safety Policy)
 - b. **Rental Vehicles -** If rented with University funds, only University employees can drive; all terms of the rental contract must be complied with. The University prohibits departments or employees from renting 15 passenger vans on or for University business.
 - c. **Contract Bus Service -** Adequate insurance coverage for personal injury and property damage must be provided by the bus company. If the company carries less than five (5) million dollars per occurrence, the [Risk Management Department](#) at (315) 443-4011, must be consulted to determine if a lower coverage amount is acceptable.
 - d. **Regularly Scheduled Carriers -** Regular scheduled transportation service providers (e.g., Greyhound,

Amtrak) may be utilized for transportation.

- e. **Personal Vehicles -** Personal Vehicles should only be used on a voluntary basis. The owners/drivers must provide their own insurance coverage. All student participants choosing to ride in a private automobile do so voluntarily and at their own risk. The University shall not insure or accept liability for any damage, loss or injury resulting from the use of a private vehicle. The University does not provide comprehensive or collision (physical damage) insurance for private vehicles driven on University business, and the owner is responsible for primary liability insurance. The University does carry non-owner excess liability coverage to protect the University and employee in the event of a suit resulting from an automobile accident in which an employee was driving on University business.
- C. **Accident and Medical Insurance:** The faculty member or administrators responsible for the trip shall communicate to the participants that the University does not provide medical insurance for any student's participation in trips. All student participants shall be responsible for any medical costs they incur during and/or as a result of the trip.
- D. **Participation:** Except with the permission of the appropriate administrator, friends and family of students are not eligible to participate in travel opportunities falling under the Division of Enrollment and the Student Experience Travel Policy.

All participants are required to engage in the planned activities of the trip. Unstructured time should be kept to a minimum to reduce the risks inherent in unsupervised activity. The sponsoring department or organization should keep a list of all participants involved in the trip.

VIII. Additional Guidelines for International Travel

In addition to meeting all other requirements for travel detailed in this policy, the risks associated with travel outside the United States require further preparation to ensure the safe participation of students.

- All requests to travel internationally must be approved in writing by the Office of Student Activities regardless of whether the travel is sponsored by the University or not. Requests must be submitted at least 30 days in advance of the expected travel.
 - Requests to travel to locations where the US Department of State has issued a travel warning also must be approved by the Vice Chancellor and Provost. Requests to travel to high risk locations must be received at least 60 days in advance. Information on travel warnings may be found at the [US Department of State website](http://www.state.gov) or [HTTP://travel.state.gov](http://travel.state.gov).
 - All plans to travel internationally must include two qualified trip leaders that are either faculty or staff employed by the University or are approved by the Office of Student Activities (OSA) to serve in this capacity.
 - In circumstances where support for international student traveler(s) is to be provided by an organization outside the University, RSO's may request a waiver to this policy.
 - RSO's seeking a waiver must provide detailed information about the organization supporting students during the trip and include a safety plan detailing how that organization will provide support in an emergency.
- The waiver and supporting documents must be submitted at least six weeks before the planned travel. Support for developing a safety plan can be obtained by contacting the Office of Global Safety and Support at 315-443-1968 or at satucker@syr.edu.
 - The Office of Student Activities reserves the right to deny a waiver if the request is not timely, or if, in the sole judgment of OSA, the RSO is unable to establish confidence that all travelers will be supported appropriately.
 - To request a waiver to this policy, please send a detailed email, including all supporting documents to the director of Student Activities, dfsargal@syr.edu.
- All participants are required to register their travel plans with International SOS (ISOS) via this link: [International SOS](http://www.internationalsos.com). Alternatively, you may enter [HTTP://internationalsos.com](http://internationalsos.com) and then enter the University's member number: 11BCPA000177.
 - RSO's must submit a complete planned travel itinerary via the Student Travel Form or the Off-Campus Student Travel Itinerary form which includes travel within and between destinations outside the United States. Unexpected changes in the planned itinerary while travelling must be made to your itinerary on record at the ISOS web site.
 - RSO's traveling abroad must carry at least one mobile phone provisioned to receive and send calls as well as data (text and email) at the planned destinations. Plans to travel to a location where mobile communication is expected to be intermittent or unavailable should be reviewed with the Director of Student Activities.
 - Groups planning to travel abroad must participate in a health and safety briefing which may be scheduled through OSA. Please contact the office for details.
 - Student organizations travelling abroad will be charged \$99 per traveler to cover the cost of travel insurance. Each traveler will be provided with an

International Student Identity Card (ISIC) that provides supplemental health insurance coverage as well as travel protection. Details of ISIC coverage may be found at [HTTP://myisic.com/get-a-new-card](http://myisic.com/get-a-new-card). All students are issued an ISIC Premium card. In addition, students are advised to review the applicability of their own health insurance while abroad.

Technology Support

Recognized student organizations can receive assistance with technology-related issues from Enrollment and the Student Experience Technical Services. Enrollment and the Student Experience Technical Services can be contacted by email at dsahelp@syr.edu, by phone at (315) 443-1436, or on the web at <http://dsahelp.syr.edu/student-org-assistance/>. Please review the Q&A below for more detail on the scope and level of assistance provided.

What Does The Enrollment and the Student Experience Technical Services Group Do?

Syracuse University's Division of Enrollment and the Student Experience Technical Services Group is primarily responsible for the technical support and direction of the 23 departments within the Division of Enrollment and the Student Experience. As an auxiliary to these services, the group provides a level of consulting and technical support services for student organizations.

Which Student Organizations Does Enrollment and the Student Experience Technical Services Support?

Technical Services provides basic technical assistance to student organizations recognized by the Office of Student Activities and sports clubs recognized by the Department of Recreation Services.

What Kinds Of Assistance Can Enrollment and the Student Experience Technical Services Provide To A Student Organization?

- ***Web Support/Maintenance*** - For organizations not using OrgSync to host their website, Technical Services provides hosting

services that include Wordpress or traditionally hosted web space (for more information, see <http://orgs.syr.edu>).

- ***Purchasing*** - Assist in making technology-related purchasing decisions (e.g. computers, software, peripherals).
- ***Setup and Configuration*** - Install and configure computer hardware and University-recommended software applications (e.g. antivirus software).
- ***Troubleshooting*** - Diagnose computer and software problems.
-

Does Enrollment and the Student Experience Technical Services Charge A Fee For Its Services?

For basic support in the categories listed above, the answer is no. A fee will be charged, however, for repairs of out-of-warranty equipment, software development, web site design, training or other time-intensive projects. For these services, a representative from the student organization should meet with an associate in Technical Services to discuss the project in detail. An estimate will be provided to the organization's representative and the respective Student Activities Program consultant.

Web Support/Maintenance

How Would A Student Organization Request Space On The Enrollment and the Student Experience Web Server?

Student organizations should refer to <http://orgs.syr.edu> to see the available web hosting options available.

Can A Student Organization Request Any Domain Name For Its Web site?

Generally, web sites hosted on the Enrollment and the Student Experience web server have the following URL: students.syr.edu/<name> (where <name> represents a single word description of the organization). Special requests for domain names ending in *syr.edu* for websites hosted on the Enrollment and the Student Experience web server can be made by emailing dsahelp@syr.edu.

What If A Student Organization Already Has A Web Site On The Enrollment and the Student Experience Web Server But No Longer Has Login Information?

The organization can request to have a new user account created or the password for a specific user reset. To have a new user account created, email dsahelp@syr.edu. Please include contact information, the website in question, and the organization name.

How Long Are The Websites/Login Accounts For Accessing The Web Server Active?

Technical Services will monitor activity on the websites of student organizations. Organization websites that have not been updated from year to year may be deactivated or have their user account deactivated. If your organization's website or account has been inadvertently deactivated, please email dsahelp@syr.edu to have the website brought back online.

What Environment Does The Enrollment and the Student Experience Web Site Run Under?

We recommend that student organizations use the OrgSync online community for hosting their website. Those sites are externally hosted on OrgSync's servers. For those organizations who have greater web needs than that tool provides, Technical Services can either provide a Wordpress environment or a traditionally hosted webspace running on the Enrollment and the Student Experience web server. That server uses a traditional Apache, MySQL, PHP web environment. Organizations should contact Technical Services if they have additional questions regarding the technology in use on our web server.

What tools should a Student Organization Use to Create And Upload Web Pages To Its Web Site?

Both OrgSync and Wordpress fall into the category of online content management systems. Using this technology, student organizations edit their websites directly from a website. If an organization requires a more sophisticated website design, Technical Services can provide space on the Enrollment and the Student Experience web server. For those organizations, we

recommend the use of Dreamweaver to create and upload web content to the server. This software is straightforward to use and integrates well with our web environment. The SU Bookstore carries the reasonably priced, educational version of Dreamweaver.

Organizations should contact Technical Services for additional information on configuring Dreamweaver for use in our environment.

Is There A Limitation On The Size And Type Of Content That A Student Organization Can Place On Its Web Site?

Technical Services currently does not limit the amount of hard drive space that an organization's web site uses. Web sites are monitored, and Technical Services reserves the right to limit the size of a web site in the future. It is also requested that student organizations do not create web content that may overburden the existing web server. Such content would include streaming video or audio or excessive graphics.

Storing copyrighted software or media on the Enrollment and the Student Experience web server is strictly forbidden. The content of all submissions from student organizations must be consistent with Syracuse University's Code of Student Conduct and institutional values. Issues regarding content and illegal use of the Enrollment and the Student Experience web site will be directed to the organization's OSA consultant.

Will Enrollment and the Student Experience Technical Services Develop A Website For A Student Organization?

Enrollment and the Student Experience Technical Services has limited resources for web site development. If resources are available, and the extent of the web project is agreed upon by Technical Services and the student organization, consideration will be given to assisting an organization in developing its web site. The standard hourly development fee would apply for any such work. If resources are not available, Technical Services will be glad to recommend available individuals who can accomplish the work for a fee.

Does Enrollment and the Student Experience Technical Services Provide E-mail Accounts For Use In Conjunction With A Student Organization's Website?

No. If a student organization finds it necessary to have an e-mail account affiliated with its corresponding web site, it is recommended that one of the many free e-mail providers (e.g. Live.com, Gmail, Juno, etc.) be used.

Purchasing

What Does A Student Organization Do If It Wants To Purchase Or Upgrade Computer Equipment Or Software?

Any student organization wishing to upgrade or purchase new computer equipment or software should consult with their consultant in the Office of Student Activities as well as Enrollment and the Student Experience Technical Services before making a purchase. Technical Services will work with University representatives to ensure the lowest possible academic pricing, and will help to provide technical direction and vision for strategic purchases.

Can Enrollment and the Student Experience Technical Services Recommend A Computer To Purchase?

Syracuse University has standardized on Dell desktop PC's for most needs. Technical Services can work with a student organization's consultant in the Office of Student Activities on price quotes and potential vendors for PC's. Unless a specialized computer is required for a very specific need, it is recommended that student organizations use the standard desktop computer models that the rest of the University is using.

Will Enrollment and the Student Experience Technical Services Purchase Computer Hardware Or Software For A Student Organization?

While Technical Services can specify computer equipment and software that will work within the University framework as well as indicate the appropriate method of purchasing, the student organization is ultimately responsible for making the purchase using its budget. Enrollment and the Student Experience Technical Services will work with both the student

organization and its OSA consultant on recommending a vendor, getting price quotes, and suggesting the appropriate method of purchase.

Does Enrollment and the Student Experience Technical Services Provide Peripherals/Accessories To Student Organizations?

No. When purchasing computer equipment, the student organization is responsible for making sure that they have all peripherals and accessories (e.g. keyboards, mice, cables) that they will need to use the equipment. If you are unsure what you need, please consult with Technical Services, which can help with specifications.

When A Student Organization Purchases Software, Who Owns The Software And Where Can It Be Installed?

Software purchased by a student organization using its budget is the property of the organization. The software can be installed on university-owned equipment including those computers purchased by the student organization. The software should not be installed on the personal computers of student members of an organization. Software should be registered under the name of the organization in question and not an individual user.

Setup and Configuration

Does A Student Organization Set Up Its Own Computer Equipment?

When a student organization receives new computer equipment, it will be responsible for unpacking and connecting the computer hardware. Technical Services can be contacted with questions on how to do this or to provide assistance with complicated configurations.

Who Configures The Computer For Use At The University?

For the University-standard PC-based computer hardware (Dell computers), Technical Services will install a standard University computing environment (operating system, antivirus software) and register the computer for use on the University network. For Macintosh and non-standard PC-based computers, Technical Services will

install antivirus software and register the computer for use on the University network.

Can Enrollment and the Student Experience Technical Services Provide Assistance with Software Configuration?

Basic assistance for applications that are included in the standard University environment will be provided. Whenever possible, Technical Services will provide training materials to help student organizations get acquainted with this type of software. Technical Services will also provide guidance on configuring software for use within the University's computing environment. Separate arrangements should be made with Technical Services for more intensive training or for assistance with specialized applications that are not within the standard environment.

Troubleshooting

Will Enrollment and the Student Experience Technical Services Troubleshoot A Computer Problem for A Student Organization?

For University-standard computer configurations, Technical Services can assist student organizations with troubleshooting computer problems. For Macintosh computers or non-standard PC-based configurations, technical services will attempt to assist the student organization if the problem is within its area of expertise.

***Please note:** Enrollment and the Student Experience Technical Services will not be able to assist students in troubleshooting problems with personally-owned computers; even if they are being used for student organization business. For personally-owned PC's, we recommend contacting ITS via email at help@syr.edu or by visiting an [ITS Service Center](#).*

How Are Warranty Repairs For Computers Handled?

First, Technical Services recommends that student organizations order computers with four years of warranty service if budget allows. The extra fee for this level of warranty is minimal and will usually pay for itself in the long run. For Dell computers, warranty repairs are handled locally by Vitec Solutions, which can be reached at (800) 955-5959. For Macintosh computers still

under AppleCare, Apple Computer should be contacted directly or the computer can be brought to the local [Apple Store](#).

What Can Be Done With Out-of-Warranty Equipment That Is Malfunctioning?

If the student organization wishes to purchase replacement parts, or make repairs on its own, Technical Services can make recommendations for replacement parts and a course of action. At the student organization's request, Technical Services will make basic repairs to malfunctioning computer equipment. These repairs would include such issues as replacing defective keyboards, mice, memory and hard drives. The student organization would be charged the cost of replacement parts.

How Is Software Troubleshooting Handled?

Enrollment and the Student Experience Technical Services can diagnose and troubleshoot software problems for University-standard software applications. These applications include, but are not necessarily limited to, the Microsoft Windows and Apple OS X operating systems, the Microsoft Office suite, Outlook, Adobe Acrobat, and McAfee Antivirus products. For specialty software (e.g. vertical market applications) it is recommended that the student organization contact the application vendor for technical assistance.

Is There Somewhere On The Web To Research Technical Problems?

The Enrollment and the Student Experience Technical Services web site (<https://dsahelp.syr.edu>) will have troubleshooting tips available. Additionally, ITS (Information Technology and Services) maintains a web-based knowledgebase (<http://answers.syr.edu>) that can assist with many common technical problems.

Should A Student Organization Contact ITS Directly With Technical Problems?

Generally, it is recommended that a student organization contact Enrollment and the Student Experience Technical Services first. If the problem requires the assistance of ITS, Technical Services will act as a liaison with ITS and handle the request.

The University offers many meeting places and services for use by student organizations, administrative and academic departments. To accommodate the meeting needs of student groups, Student Centers and Programming Services is available to meet your event needs with the ideal campus location and technical support services. Student Centers and Programming Services (SCPS) reserves spaces within the Schine and Goldstein Student Centers, the plaza between Schine Student Center and the Newhouse School of Public Communications, Gifford Auditorium, Grant Auditorium, Maxwell Auditorium, and Kittredge Auditorium. SCPS also schedules meeting rooms in the following locations: Archbold, Bowne Hall, Carnegie Building, Eggers Hall, Huntington-Beard-Crouse Hall, Hinds Hall, Hall of Languages, Shafer Art Building, Sims Hall, Hoople Hall, Link Hall, Lyman Hall, Maxwell Hall, Slocum Hall, the Physics Building, and Watson Theatre. *Please be aware that many of these spaces have specific requirements concerning use.*

In addition to search and match services, SCPS assists program sponsors in scheduling support services for campus-wide programming, such as room set-up, security, custodial, physical plant, parking, and many other services for their events. Event and Technical Services (ETS) is the area of SCPS that handles all of the technical needs for the student groups' events. ETS has two distinct responsibilities: event management and technical assistance. Event management entails the setup and breakdown of the room, ticket taking, ushering, and helping those patrons who may need assistance. ETS's technical support of events includes running of sound, lights, and visual presentations as well as stage management for events. Any use of non-Syracuse University resources for sound and lighting must also be coordinated through ETS to ensure appropriate use of University facilities. ETS should be contacted at least one month prior to an event. Be aware that last minute requests may not be honored.
